

## **DIRECTIONS TO TRAILHEADS USED BY SUN CITY HIKING CLUB**

Direction sets to the following trailheads are provided in this document as a set of sequential pages in the following alphabetical order:

This pdf document is intended to be used by Hike Leaders to provide handouts to car-pool drivers during the pre-hike check in. These handouts can be generated by copying and pasting the direction sets to a computer and then printing and cutting apart as many as are needed. Or by downloading the entire document and just printing the desired page. For use with GPS or mobile devices, the GPS coordinates at the end of each description can be verbally relayed to drivers.
